

Kentucky FAIR Plan

Application and Manual Changes Effective 1-1-09

The Manuals have been revised and are located at the Producer Tab of our Website:

- The manuals are more user friendly and include rating worksheets for all lines of business..
- Increased Earthquake deductible options are now included.
- The maximum coverage amounts per square ft. have been revised.

The Applications have been revised and are located at the Producer Tab of our Website:

- **ACORD applications** have been designed for the Kentucky FAIR Plan and we ask that you start to use them immediately.
- The new applications include the producer's inspection form and woodstove supplement.
