Important Notice To Our Producers

Effective 1/1/09 our system has been upgraded for new and renewal business!

- You may notice minor layout changes in the declarations and bills however the coverages remain unchanged.
- Policy numbers will change. The prefixes will be: DW for Dwelling Fire and Mobile Home, HP for Homeowners, CO for Commercial Fire and FF for Farm Fire. We will continue to use the existing 7 digit number however a 0 (zero) will be placed in front. An example of the new number is DW03456789.
- We will offer a 5-pay plan which will bill in 20% increments (\$4.00 service charge per installment).

Our new system will permit the following enhancements which will be available soon on our website:

- On-line billing inquiry.
- An enhanced quoting program for all lines of business..
- On-line application completion.

Watch our website for notices of the availability of these changes.
