RE: PLAN CHANGES

BULLETIN

Rate Changes:

Effective September 1, 2005 for new business and October 1, 2005 for renewal business a rate increase will be going into effect. The increase is 6.2% overall for the dwelling fire line and 5% for the homeowners. The amount of increase will vary by location and occupancy.

The revised premiums will be loaded into the rating program on our web site in the following weeks. I merely wanted to advise you of this change as the implementation date approaches.

Application Changes:

The Plan will be utilizing a new farm fire application which can be accessed from our web page.

Should you have any questions or concerns please contact our office at the number as listed above.
