RE: MANUAL REVISIONS

**Mine Subsidence**

All three manuals now contain the needed information to properly rate mine subsidence coverage. This consists of the eligible counties as well as rates for the various coverage amounts.

**Vandalism and Malicious Mischief**

The verbiage of Rule 11 in the Dwelling Fire Manual has been amended to read Vacant &/or Unoccupied.

**Minimum Retained Premium**

You have previously been advised that a minimum of \$100 in premium shall be fully earned when any period of coverage is provided. This language while previously was contained in the Articles of Association and has now been included in all three manuals.
